# Anniversary: 40 years Tecco

## New Organisation and Structuring of Divisions

Ilford Imaging Europe/Tecco, Bergisch Gladbach/Germany, September 2020

The paper pioneer Tecco is celebrating its 40th anniversary this year and continues to focus on continuity: With a management trio consisting of three longstanding employees who know the company and the market very well, International Sales, Domestic Sales and Operative Business divisions are being restructured: Karsten Goltz is the new General Manager since the beginning of the year and heads the operative business. Arne Luther takes responsibility for the entire sales area from August on and Uwe Janke will be responsible for the overall sales in Germany and Austria.

Arne Luther and Uwe Janke are at your disposal to discuss details.

### About the Person: Arne Luther

Arne started his career at Tecco in 2003 directly after he finished his MBA at the University of Wuerzburg. From the beginning he was responsible for managing sales operations in Europe, especially in the field of prepress/proofing-solutions. Besides his sales activities Arne took over responsibility for marketing at Tecco. In addition his sales area was extended to the North and South American markets. Since January, Arne leads the entire Tecco sales team as Sales Director.

### About the Person: Uwe Janke

Uwe started his career at Tecco in 2004 in sales. The graduate photo engineer was recruited by Tecco to expand the renowned range of proofing papers with high-quality photo papers. Based on many years of experience at Afga, he established the photo division within four years with great success. Since August, Uwe is responsible for sales throughout Germany and Austria.

### About the Person: Karsten Goltz

Karsten has held positions in sales, marketing and product management since 2006 before being appointed General Manager of Tecco in January 2020. Tecco benefited from his experience in the areas of process optimization and organization from his 26 years in the retail industry.

### About Tecco

Paper pioneer Tecco today is a world wide operating, global player in the paper industry. After various awards, co-operations with well-known companies, the setting of norms and standards and much more Tecco was granted a member ship in the oldest and most famous photo club in the world, the Royal Photographic Society (RPS). The Henry Wilhelm Certification is an essential feature for differentiation to establish Tecco within the international art market and strengthen their leading position.

Tecco papers hold all relevant international certifications. Among them: Fogra, SWOP, GraCol, Wilhelm Research and the environmental certification FSC.

Tecco is responsible for sales and marketing of ILFORD Imaging Europe products.
